

The University Lecture Series Committee has scheduled what it believes are outstanding speakers for the academic year 1959-60. We hope you will be able to attend the lectures and we hope you will invite your students and friends to attend. All lectures are open to students, faculty and public without charge.

The first speaker will be Mr. Eric Johnston, President of the Motion Picture Association of America, Inc. He will speak on the subject, "Let's Put Our Best Minds Forward." Mr. Johnston was four times president of the Chamber of Commerce of the United States. He has served on some twenty-five federal commissions and boards. He was personal representative of the President of the United States to the Middle East with rank of ambassador.

Mr. Johnston will be presented as the Second Annual Beth Walton Moor Lecturer Monday evening, October 26, Westcott Auditorium, 8:15 p.m. We hope you will attend.
