
A SHEEP with SIX LEGS for DISPOSAL. As an extraordinary freak of nature this is one of the most perfect six-legged animals ever brought before the notice of the public; was bred upon the Welsh mountains, of the Leicester and Welsh breed, and is about 22 months old. Would be a valuable purchase for an exhibitionist. To be seen at the owner's, Grove livery stables, Grove-road, St. John's-wood, where dogs of every description and breeding are always on sale.
